--	--

Required Tools

- Soldering Iron
- Solder
- Wire strippers
- Flush cutters

Required Personal Protective Equipment (PPE)

- Safety Glasses

Dual Mono-Stereo Adapter

ASSEMBLY GUIDE

Assembly Instructions

Step 1

Place the stereo Jacks in the bottom enclosure with their prongs facing outward. Ensure each jack is facing the correct direction, so the outlet lines up with the holes.

Step 2

Solder the wires into place according to the black wires shown in the image. Trim any excess wire with flush cutters.

Dual Mono-Stereo Adapter

ASSEMBLY GUIDE

Step 3

Snap the top enclosure onto the bottom enclosure. Ensure the holes line up with the jack outlets.
